

Seattle Department of Neighborhoods 2012 Large Projects Fund Awards

Neighborhood	Organization	Project Name	Description	Awarded Amount	Match Amount
Southeast Seattle	Southeast Seattle Community Youth Orchestra	One Neighborhood - One World	The Southeast Seattle Community Youth Orchestra will invite teaching artists that represent the cultural diversity of southeast Seattle to share their traditional styles of music as well as their rich cultural histories with the young members of the orchestra. The project will conclude with a community concert of ethnic artists in August 2013 that will feature fusion music written by the students in collaboration with their instructors and visiting ethnic teaching artists.	\$99,671	\$63,611
Central District	Friends of Jimi Hendrix Park Committee	Jimi Hendrix Park: Little Wing Project	The Friends of Jimi Hendrix Park Committee (FOJHP) will implement the first phase of construction (the "Little Wing" phase) of Jimi Hendrix Park. This phase includes the demolition, entry staircase, conduit, and supplies and materials.	\$100,000	\$688,470
Central District	Central Area Senior Center	Central Area Intergenerational Community Project	Central Area Senior Center will oversee the planning and design of a new facility to house expanded senior and new intergenerational programs.	\$95,505	\$65,621
Beacon Hill	Friends of Beacon Food Forest	Gathering Buildings for Beacon Food Forest	This project will implement a community process to design and construct a gathering pavilion/building, tool shed, and supporting systems (water, communications, entry) for the Beacon Food Forest.	\$86,295	\$198,965
Capitol Hill	Stunning Seattle	Seattle Neighborhood Beautification Mural Project	A collection of five murals will be designed and painted in the Capitol Hill neighborhood and will showcase art that can be appreciated by all populations of the community. The community will be involved in selecting the themes for the murals.	\$49,251	\$82,325
Chinatown/International District	Interim CDA	The Neighborhood Cookery: Cultivating Community	The Interim CDA will construct the Neighborhood Cookery, a new building to house a cooking area and classroom. Located in the Danny Woo Garden, it will be used as both an educational facility and a congregation point for gardeners, children, youth, and residents of the International District.	\$100,000	\$289,680
Chinatown/International District	Seattle Chinatown International District Preservation and Development Authority (SCIDPDA)	Historic Alley Project	The Historic Alley Project will revitalize and reactivate Maynard and Canton Alleys in the Chinatown International District. The project will be implemented through schematic design recommendations produced from a community engagement process in early 2012.	\$93,800	\$106,250
Laurelhurst	Friends of Yesler Swamp	Yesler Swamp Trail	This project consists of the engineering, environmental mitigation, and the first phase of construction of a boardwalk through Yesler Swamp, one of Seattle's few remaining wooded swamps. This boardwalk will be part of a permanent, handicap-accessible trail through this unique natural area.	\$64,000	\$82,198

Fremont	B.F. Day PTSA	B.F. Day Playground Project - Phase 1 Construction	The B. F. Day Elementary School will construct a new play structure and update an existing sport court. The play structure will benefit students, the school, and neighborhood especially since it is the only public play equipment in the Fremont neighborhood.	\$100,000	\$144,642
Maple Leaf	Sacajawea PTA	Redevelopment of the Sacajawea Southern Playground	The Sacajawea Elementary School PTA will implement the first phase of the redevelopment of the upper playground which involves the restoration of the existing wetland and buffers and the construction of the new playground and play structures.	\$99,577	\$146,320
University District	Seattle Theatre Group	Nights at the Neptune: A People's Theatre Joint	Seattle Theatre Group will make the professionally-staffed Neptune Theatre available to artists and community organizations 10 times per year at no charge. Each of these 10 engagements will include a day for rehearsal and one for presentation. The artists will develop the content, but the program will emphasize access for artists concerned with issues of race, social justice, and youth. Presentations will be offered to the public for free.	\$75,456	\$117,977
University District	University Heights Center	Master Plan Phase 1: P-Patch and East Entrance Improvements	The Phase I project will make improvements to the University Heights Center including repair and restoration of siding and drainage; rebuild of the P-Patch site including handicap-accessible plots and storage; and enhancement of the east entrance with landscape beds, perimeter plants, and trees.	\$99,974	\$406,310
South Park	South Park Information and Resource Center SPIARC	ELLA (Empowering Latina Leaders to Action)	This pilot project will empower a group of 20 Latina immigrant women from South Park with a double mission of promoting personal transformation and building community power for social and economic justice. It will explore how ELLA students engage and learn when receiving English instruction through a technology-based and community-centered approach.	\$100,000	\$107,240
Delridge	North Delridge Neighborhood Council	Dakota Street Right of Way Community Enhancement	The project is a community-driven effort to replace an existing, vacant right-of-way with a beautifully landscaped place for the Delridge community to use and enjoy. This lot currently obscures the entrance to the Longfellow Creek Trail system, and the proposed project would enhance the visibility and access to the creek and trails.	\$52,200	\$65,250
Pioneer Square	International Sustainability Institute	Alley Corridor Project	The Alley Corridor Project will mobilize the Pioneer Square community to create great people places and transform its alleys into economic opportunities while preserving history. It will create an alley prototype with a shovel-ready paving and lighting design that meets the needs of businesses and residents and improves safety, business opportunities, and walking spaces.	\$91,775	\$65,700
				\$1,307,504	\$2,630,559
